

## **Planning a safe recovery for the National Park – communities**

Community Councils across the National Park have been asked to comment on plans to ease the lockdown travel restrictions and prepare for appropriate visitor management measures that might be needed to promote safe social distancing at popular National Park visitor destinations.

Each CC will nominate an attendee to a video / audio conference call for this coming Tuesday 26<sup>th</sup> May 3-4pm

KCC are seeking community views on this matter and welcome comments to be sent to [secretary@kilmaronockcc.org](mailto:secretary@kilmaronockcc.org) in good time.

Some summary slides have been made available to give some context for discussions. See file :
