Crimes/Offences that have occurred in community area since last meeting	<p>There has been four recorded crimes in the Community Council area since the date of their last meeting in November 2025.</p> <p>One incident relates to a male driver failing to provide driver information following a road traffic collision. The same male also failed a roadside breath test and was later charged with drink driving.</p> <p>Secondly, one female driver was issued a conditional offer of £100 fine and 3 penalty points for careless driving on the A811, Gartocharn.</p> <p>Thirdly, a farmer has reported sheep worrying by a dog. Nothing evidential gained from cameras and no suspects were identified.</p> <p>I have also reviewed a number of calls made to Police via 101 during these periods.
